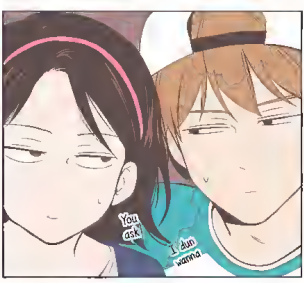
As soon as she came, she told us shocking news.

OUR RELATIONSHIP IS

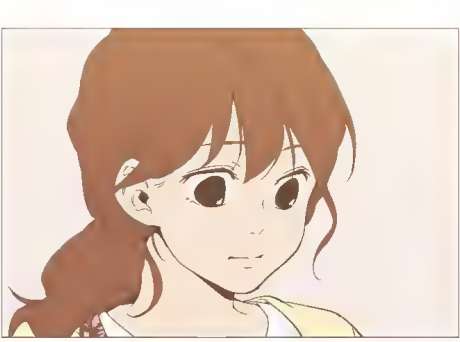
Rolling Stones
02



She said it as if she was saying "I just ate dinner," but this caught us more off guard.

Wha...
How'd it happen?
I was talking with him over the phone yesterday, and I just said it impulsively
But it was something that I was thinking about for a long time.

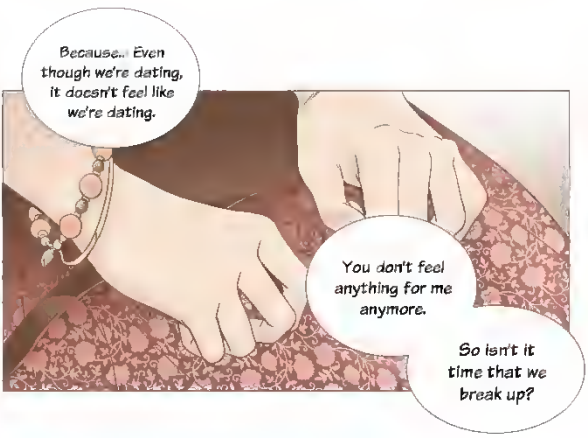
He wanted to talk face-to-face so I just met him before I came here.



....Are you for real?
Yeah.

Why all of a sudden?!
...it's not all of a sudden.

...Then why?



Because... Even though we're dating, it doesn't feel like we're dating.
You don't feel anything for me anymore.
So isn't it time that we break up?

.....
But I want to stay together.
Why?

Why what do you mean wh-..!
While I was dating you, I was lonely
I don't want to be let down by you anymore.

What did I do so wrong?
Why didn't you tell me before then?

Is it because what I said about weight before?
I said i was sorry.
I didn't know you would be so angry.

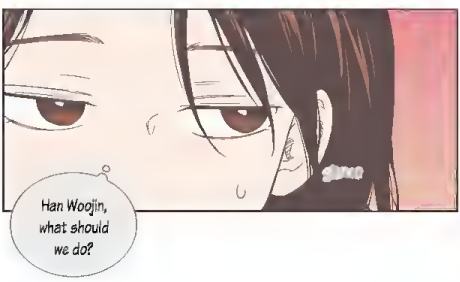
Ah.
Why all of a sudden...

I told you
it's not all of a sudden.

Anyways, we met and talked and now it's over.

Ah...

Umm~ I don't know what to say...
Yoojin seems too calm to comfort her...

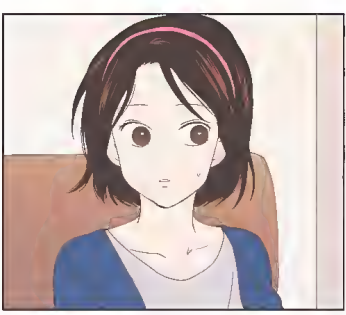


Han Woojin, what should we do?

It's good that you broke up.
We saw you together once, and he didn't seem that great.

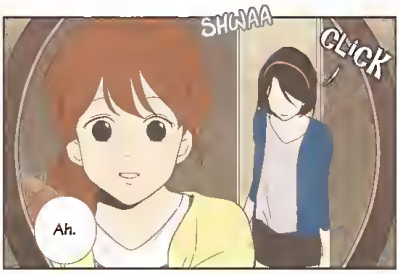
...Really?
.....
Yeah, you did a good job.

...Yeah.



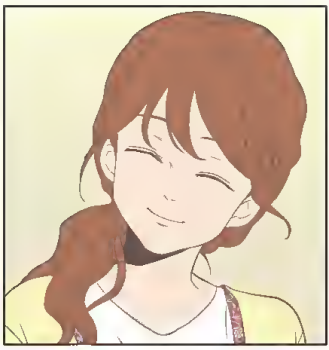
Yoojin,
I'm going to go to the bathroom for a sec...
Ah.
Me too, let's go together

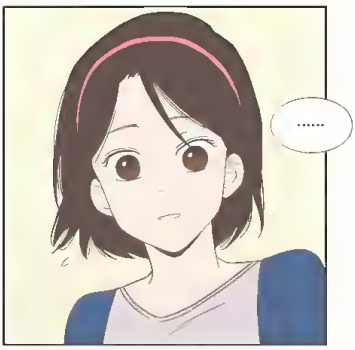
SHWAAA



SHWAA
CLICK
Ah.

Yoojin, you're not going to go?
tick, tick
I just came to wash my hands.





.....

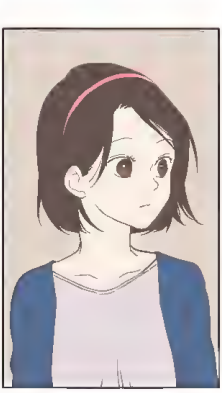
Uh-
You know,
It's good to see you look well
After... the break up....
Well it was something I was thinking about for a while-

If I look back at it, I think our break up was the only thing we did right.
Ah- I see.
I don't get it.

It's kind of embarrassing to say,
But after hearing what Han Woojin said, I think I have some feelings for him-

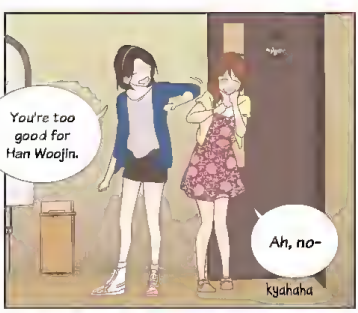
?
Han Woojin?
What!
We've been messaging each other recently too, and I think he's a really good person.
They've been messaging?
...I didn't know.

.....
Is that okay?



1. Of course, it's okay.
2. Why're you asking me?
3. It's be great if you guys got together..
4. When did you guys start messaging each other?

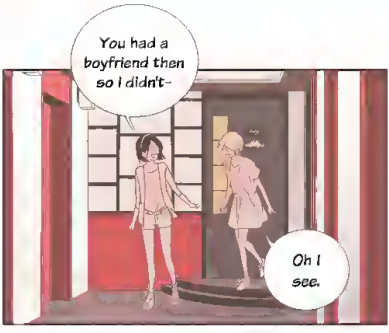
5. No you can't..



You're too good for Han Woojin.
Ah, no-
kyahaha

When Han Woojin was doing his military service, he saw a picture of you and said you were really cute~!
He always kept asking me to introduce you, it got annoying-

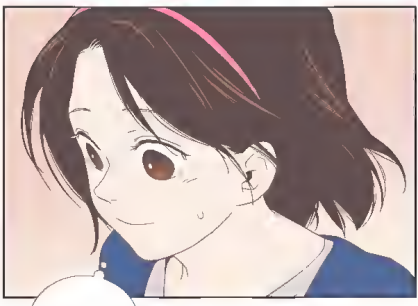
What? This happened?
Why didn't you tell me-



You had a boyfriend then so I didn't-
Oh I see.

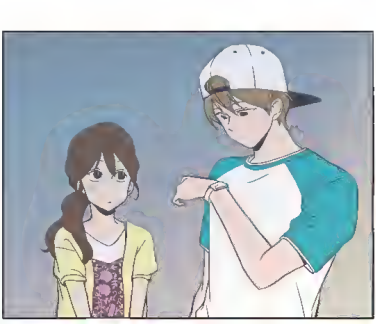
I thought that no one other than Lee Minhoon would like me.
I feel stupid.

.....
She thought about things like that too.



I should've told her sooner.

Pig, it's really late so let's drop Oh Yoojin off at the dorms and then go home.
'Kay.



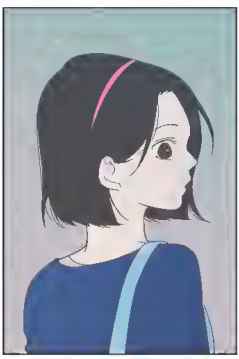
Oh, that's right.
Sorry, I have work early tomorrow, so I'll head home first.
Huh? It's not even that far from the dorms-

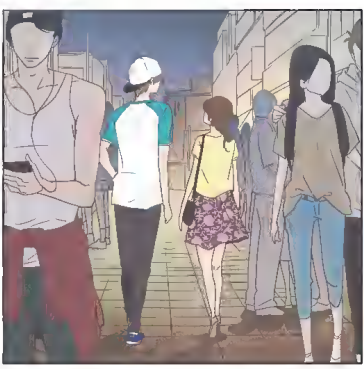
Whatever, I'm tired.
I'm going first, okay?
Make sure Yoojin gets home safe.
Got it?
Why it's with her all of a sudden?

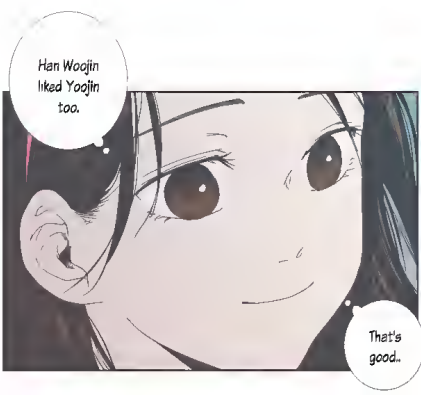
Hey once you get off the subway, make sure you take the bus!
WAVE
WAVE

STEP
STEP

.....



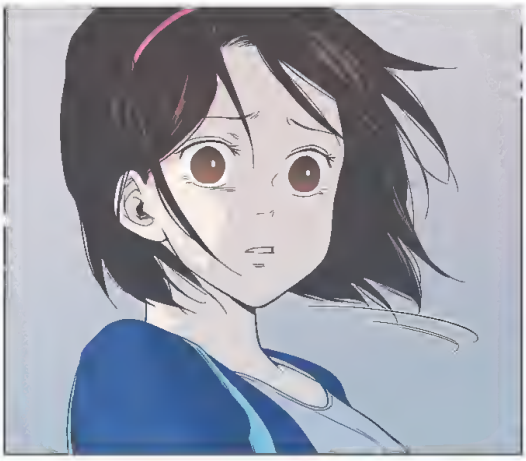


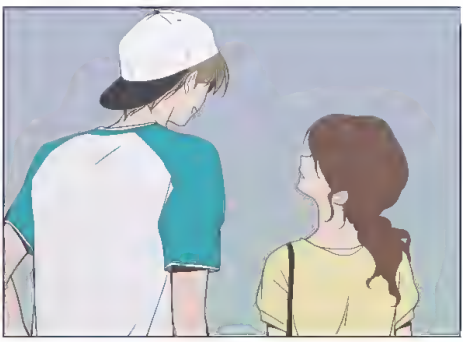


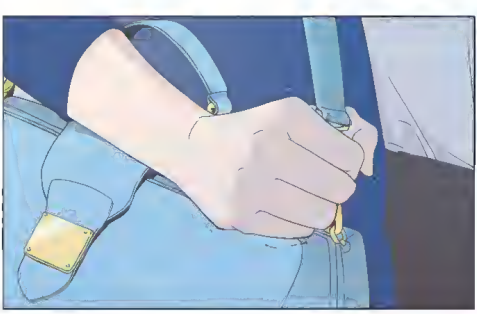
Han Woojin liked Yoojin too.
That's good..

I wonder what it would be like if they dated.
They both get lonely a lot, so it would probably work out well.

That's good.
It's good.







But even then

There's
nothing I
can do now.
